AGM 2008 / 2009

7.40 PM Chairman opened meeting

Called upon Secretary to give his report on season. Secretary said thank you to all teams for their cooperation in getting the result cards to him on time. Thanked Mark Field for his efforts with the web site and thought that we had all benefitted from it. He then went on to say that this was his last action as Secretary as he was standing down, as he had stated the previous year. Thanked all those who had helped him during his term of office, and that he'd enjoyed doing it but work & personal commitments meant that he could no longer give the time to carry on.

Chairman thanked Stan for his term in office, also said he'd be missed and that he'd done a good job for the league, by keeping things simple.

Chairman then spoke of his views on the league saying that we'd had a good year with very few problems.

That this is the way we should be and that we did not need to take things overly seriously but to keep it friendly.

He then came to the election of officers. He stated he would remain as Chairman & Treasurer if it was the meetings wish.

Passed unanimously. Then he called for a nominee for the vacant post of Secretary. After some silence no nominations were forthcoming. He then pointed out that the meeting would have to cease, as without a secretary the league would not function and would therefore have to be disbanded.

After some quiet discussion between members present a nominee was proposed from the floor namely Mr M. Cosham

He was asked by Chair if he would stand as secretary and he was then duly elected to the post.

No other business was raised and the meeting closed with the treasurer then taking subscriptions for the new season.

Meeting closed at 8.40 PM.
